Class Advisor's Message

2010 Senior Class Advisors

Mr. Rich Vitali
Ms. Judi Sousa

To the Class of 2010:

Follow Your Heart and Intuition

"Your time is limited, so don't waste it living someone else's life. Don't let the noise of others' opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition. They somehow already know what you truly want to become. Everything else is secondary. "

President

Jeremy Harmon

Julie Chesmore
Treasurer

Dear Class of 2010,

It's been real! Along the way we have had some fun, shared some laughs, and survived some drama. But it was all worth it. High school has left us with some of the most memorable times of our lives, people, places and events that we will never forget. Throughout these four years we have made some of the best friends anyone could ask for. Remember to listen to our senior class quote and "Do what you love, Love what you do."

But its time to move on; we know all of you will do great things, so look to the future and don't be afraid to open doors that lie in front of you. Take some risks because things will work out in the long run, and we know every one will be successful.

Love,
Chris, Jeremy, Morgan, and Julie
